ACN 077 092 776

21 June 2000

To Whom It May Concern

Reference:

Mr Jerome Pierre Bonniatay conducted all Audi sales and customer care training for importer and dealer staff from early 1997 until mid 1998.

In his role he has contributed greatly to an understanding of the marque as well as customer expectations in the premium segment of the market.

He left his training role with Audi in Australia on his own accord.

Yours sincerely,

Matthias Seidl
Managing Director
