Dear Jerome

It was marvelous that Bolton Bhd Group of Companies appointed your establishment as one of our consultant for our Training and Development. Our staff enjoyed the training provided by you and your team of professional trainers.

One of the most important aspects that you have assisted was to merge the different industry within our group into a common course program without compromising the objectives where it benefited our staff. You and your trainers were able to integrate the participants and they were able to cross understand the inter-subsidiaries business.

We thank you and your staff support and their effort, valuable time and most of all **FRIENDSHIP** for us to continue to be business partners in our future dealings though we have a number of seminars organized by you pertaining to Training and Development for Bolton Staff.

Thank you

Sincerely yours,

Tomy Goh
Group Head of Human Resources
